This Week in Prep…

In Reading…
Preps have been pointing to the words in their books as they read. We have been looking for words that we know. to, and, we, go, at. We have been reading for enjoyment.

In Writing…
Preps have been drawing a picture and having a go at writing about their picture. We have been trying to use letters and words we know in our writing, such as c, k, d, m, e, o and g.

In Numeracy…
We are learning about numbers 0-5 and about simple shapes. Triangles, rectangles, squares and circles.

End of Term
End of term 1 for 2014 is Friday 4th of April. All students at Deer Park North Primary School will be dismissed early at 2:30 pm. Term 2 begins on Tuesday 22nd April 2014.

We hope everyone has a great break 😊
Crossing Safety Incursion

Kim from the Brimbank City Council came to our school to teach the Preps about using the school crossing safely. Some things we learnt about being safe at the crossing:

- Stop behind the white/yellow line
- Wait for the crossing safety supervisor to put their sign out for the cars to stop
- We Cross when they blow the whistle twice
- We STOP when they blow the whistle once
- WE WALK inside the white lines
