Deer Park History Mural
at Ballarat Rd

Local artist Debbie Quadri visited DPNPS, running workshops for students using clay. The students' work will contribute to this great public artwork at the Ballarat Road Arcade.

We are excited to have been a part of this local mural. Installation will begin in Term Four!

Children made fish, houses and self portraits. They look fantastic, and will get brighter after firing in the kiln! Have a closer look at:
http://deerparkhistorymural.blogspot.com.au

We have been happily invited to be part of the Arts Centre's 'Home' project, starting in Term Four. Our 3/4 and 5/6 students will be designing and decorating their own little house, before sending them back to the Arts Centre for installation around Melbourne City.

Keep an eye out for more details of this Coming Attraction!
