EDUCATION WEEK CELEBRATIONS!

DPNPS has been a-buzz with Science this week! The theme this year for Education Week is: **SCIENTISTS DO AMAZING THINGS!** On Monday the Year 3-6 students were involved in a range of science activities which included a special visit from the Royal Flying Doctor Service. Today the Prep - Year 2 students are engaged in hands-on science with teachers and a presenter from Monash University PRIM-SCI.

Thank you to parents and friends who were able to come along and join in the fun!

Please note that tomorrow is a Curriculum Day and students are not required at school.

Thank you,

Lix Balharrie

Active After-School Communities Sport

Unfortunately this term the Active after School Community organisation has been unable to find a coach for the Grade 4-6 students on a Tuesday night. Apologies to those students who would have had a spot this term in the program. Sometimes this occurs as it can be difficult finding coaches for the large amount of schools and suitable days. However Term 3 and 4 organisations are happening very soon so looking forward to the program in term 3!
